

Aronia Berry Powder

Cat. No. EXTZ-707

Lot. No. (See product label)

Introduction

Description

Aronia Berry Powder is a finely milled flour made from select, fully ripe aronia berries. Rich in dietary fiber, anthocyanins, vitamin C and polyphenol antioxidants, it blends easily into smoothies, yogurt, baked goods or powdered beverages. The deep purple powder lends foods a natural violet hue and pleasant fruity note while supporting antioxidant status, eye health, micro-circulation and overall immunity.
