

Guava leaf extract

Cat. No. EXTZ-789

Lot. No. (See product label)

Introduction

Description

Guava leaf extract is a natural substance derived from the leaves of *Psidium guajava* Linn. Its primary active ingredient is guajavarin—a flavonoid compound—which helps prevent the development of adverse conditions by boosting the immune system and combating harmful free radicals. It is widely used in dietary supplements for gout and hypertension to alleviate the oxidative stress associated with these conditions.
