

Portulaca Oleracea Extract 10:1

Cat. No. EXTZ-812

Lot. No. (See product label)

Introduction

Description

Portulaca Oleracea Extract (10:1) is a concentrated plant extract derived from the aerial parts of Portulaca oleracea L. (purslane), a plant renowned in traditional medicine for its anti-inflammatory, antioxidant and antimicrobial properties. In cosmetic applications, it provides excellent soothing, anti-irritant and skin barrier repair benefits, making it ideal for sensitive skin care, after-sun products and anti-inflammatory formulations.
