

Portulaca Oleracea Powder

Cat. No. EXTZ-813

Lot. No. (See product label)

Introduction

Description

Portulaca Oleracea Powder is a raw, unprocessed powder made from the dried aerial parts of Portulaca oleracea L. (purslane). As a crude powder without concentration, it retains the full natural spectrum of nutrients and bioactive compounds present in the plant, including omega-3 fatty acids, vitamins, minerals, flavonoids and alkaloids. This product is suitable for applications requiring the natural whole-plant profile, including functional foods, dietary supplements, animal feed and traditional herbal preparations.
