

Retinyl Linoleate, $\geq 95\%$

Cat. No. CEGZ-6170

Lot. No. (See product label)

Introduction

Description

Retinyl Linoleate is specified as a yellow to orange-yellow gas with a characteristic odor.

Product Information

Appearance

Yellow to orange-yellow gas; characteristic odor

Form

Gas

CAS No.

631-89-0

Purity

$\geq 95\%$ by HPLC

Solubility

Oil-soluble

Usage

Recommended use level: 0.05–0.25%.
