Calcium 2-Oxoglutarate Organic Acid Salt

Cat. No. CEGZ-6241

Lot. No. (See product label)

Introduction

Description	Calcium 2-oxoglutarate is the calcium salt form of 2-oxoglutaric acid and is supplied as an organic acid salt raw material.
Applications	Suitable for research and formulation development involving a calcium 2-oxoglutarate raw material.

Product Information

CAS No.	71686-01-6
Molecular Formula	C5H4CaO5
Chemical Name	Calcium 2-oxoglutarate
Molecular Weight	184.1603
Notes	EINECS: 275-843-2.
