

## Magnesium Taurate

Cat. No. CEGZ-50162

Lot. No. (See product label)

### Introduction

|                     |                                                                                                                                |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>  | Magnesium Taurate is a compound organic magnesium salt supplied for nutritional supplementation.                               |
| <b>Applications</b> | Magnesium supplementation with taurine benefits Cardiovascular and metabolic nutrition research Dietary supplement formulation |
| <b>Synonyms</b>     | Magnesium ditaurate                                                                                                            |

### Product Information

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| <b>Appearance</b>        | White powder                                                                  |
| <b>Form</b>              | Powder                                                                        |
| <b>CAS No.</b>           | 334824-43-0                                                                   |
| <b>Molecular Formula</b> | C <sub>4</sub> H <sub>12</sub> MgN <sub>2</sub> O <sub>6</sub> S <sub>2</sub> |
| <b>Molecular Weight</b>  | 272.6                                                                         |
| <b>Purity</b>            | In-house standard                                                             |
| <b>Notes</b>             | For research and development use only.                                        |

### Storage and Shipping Information

|                |                                                           |
|----------------|-----------------------------------------------------------|
| <b>Storage</b> | Store in a tightly closed container in a cool, dry place. |
|----------------|-----------------------------------------------------------|
