Creative Enzymes®

Sponge Spicules (Hydrolyzed Sponge)

Cat. No. EXTZ-834

Lot. No. (See product label)

Introduction

Description	This product is extracted from freshwater sponge, featuring natural origin. It can remove lead and mercury, deeply cleanse and purify the skin, shrink pores, eliminate blackheads and acne, and adsorb sebum and impurities within pores. It helps regulate skin water-oil balance, brighten and rejuvenate skin. Suitable for all skin types, especially for oily skin and skin affected by staying up late.
Applications	Micro-needling | Skin renewal | Cosmetics
