

VX-745

Cat. No. CEI-0172

Lot. No. (See product label)

Introduction

Description	VX-745
--------------------	--------

Product Information

CAS No.	209410-46-8
----------------	-------------

Molecular Formula	C ₁₉ H ₉ Cl ₂ F ₂ N ₃ OS
--------------------------	---

Molecular Weight	436.26
-------------------------	--------

Purity	>99%
---------------	------

Targets	p38-alpha MAPK, p38-beta MAPK
----------------	-------------------------------

Solubility	No
-------------------	----

Storage and Shipping Information

Storage	2 years -20centigrade Powder
----------------	------------------------------
