

Kaempferol

Cat. No. CEI-0373

Lot. No. (See product label)

Introduction

Description Kaempferol is a natural flavonol, a type of flavonoid, that has been isolated from plant sources.

Product Information

CAS No. 520-18-3

Molecular Formula C₁₅H₁₀O₆

Molecular Weight 286.23

Purity >99%

Targets FAS

Solubility DMSO 57 mg/mL, Water

Storage and Shipping Information

Storage 2 years -20centigrade Powder
