

## **Okadaic acid, Ammonium Salt**

Cat. No. CEI-0630 Lot. No. (See product label)

| Introduction  |  |
|---|--|
| An ammonium salt form of the protein phosphatase inhibitor Okadaic acid with somewhat greater stability than the free acid when stored in organic solvents. |  |
| Halochondrine A, Ammonium Salt; OA  |  |
|   |  |
| White crystalline solid   |  |
| 155716-06-6   |  |
| C44H67O13•NH4   |  |
| 336.43  |  |
| >98% by HPLC  |  |
| Proteasome  |  |
| DMSO  |  |
| Storage and Shipping Information  |  |
| -20 centigrade  |  |
| Gel pack  |  |
|   |  |
