

Caspase-9 Inhibitor III

Cat. No. CEI-0743

Lot. No. (See product label)

Introduction

Synonyms	Ac-LEHD-CMK
-----------------	-------------

Product Information

Appearance	Powder
-------------------	--------

CAS No.	403848-57-7
----------------	-------------

Molecular Formula	C ₂₄ H ₃₅ CIN ₆ O ₉
--------------------------	---

Molecular Weight	587.02
-------------------------	--------

Targets	Caspase-9
----------------	-----------

Storage and Shipping Information

Shipping Conditions	Not regulated for shipping
----------------------------	----------------------------
