

Elastase Inhibitor I

Cat. No. CEI-0748

Lot. No. (See product label)

Introduction

Synonyms	Boc-AAA-NHO-BzPPE Inhibitor
-----------------	-----------------------------

Product Information

Appearance	Solid
-------------------	-------

Molecular Formula	C ₂₁ H ₃₀ N ₄ O ₇
--------------------------	---

Molecular Weight	450.50
-------------------------	--------

Targets	Elastase
----------------	----------

Storage and Shipping Information

Shipping Conditions	Not regulated for shipping
----------------------------	----------------------------
