

## **Frentizole**

Cat. No. CEI-1341

Lot. No. (See product label)

## **Product Information**

*CAS No.* 26130-02-9

Molecular Formula C15H13N3O2S

**Chemical Name** 1-(6-methoxy-1,3-benzothiazol-2-yl)-3-phenylurea

Molecular Weight 299.35

**Purity** 0.98

**Targets** Frentizole

**Solubility** Soluble in DMSO

## Storage and Shipping Information

**Storage** Store at-20°C

**Shipping Conditions** Evaluation sample solution: ship with blue ice. All other available size: ship with RT,

or blue ice upon request
