

Frentizole

Cat. No. CEI-1341

Lot. No. (See product label)

Product Information

CAS No. 26130-02-9

Molecular Formula C15H13N3O2S

Chemical Name 1-(6-methoxy-1,3-benzothiazol-2-yl)-3-phenylurea

Molecular Weight 299.35

Purity 98.00%

Targets Frentizole

Solubility Soluble in DMSO

Storage and Shipping Information

Storage Store at-20°C

Shipping Conditions Evaluation sample solution: ship with blue ice. All other available size: ship with RT,

or blue ice upon request
