

kb NB 142-70

Cat. No. CEI-1384

Lot. No. (See product label)

Product Information

| | |
|--------------------------|--|
| CAS No. | 1233533-04-4 |
| Molecular Formula | C11H9NO2S2 |
| Chemical Name | 9-hydroxy-3,4-dihydro-2H-[1]benzothio[2,3-f][1,4]thiazepin-5-one |
| Molecular Weight | 251.32 |
| Purity | 0.98 |
| Targets | PKD |
| Solubility | Soluble in DMSO > 10 mM |

Storage and Shipping Information

| | |
|----------------------------|--|
| Storage | Store at -20°C |
| Shipping Conditions | Evaluation sample solution: ship with blue ice. All other available size: ship with RT, or blue ice upon request |
