

MK-5172

Cat. No. CEI-1427

Lot. No. (See product label)

Introduction

Synonyms MK 5172; MK5172, Grazoprevir,

Product Information

CAS No. 1350514-68-9

Molecular Formula C₃₈H₅₀N₆O₉S

Molecular Weight 766.9

Purity 0.993

Targets HCV NS3/4a protease

Solubility Soluble in DMSO

Storage and Shipping Information

Storage Store at -20°C

Shipping Conditions Evaluation sample solution: ship with blue ice. All other available size: ship with RT, or blue ice upon request
