

MK-5172 potassium salt

Cat. No. CEI-1429

Lot. No. (See product label)

Introduction

Synonyms MK5172 potassium salt; MK 5172 potassium salt

Product Information

CAS No. 1206524-86-8

Molecular Formula C₃₈H₅₀KN₆O₉S+

Molecular Weight 806

Purity 0.98

Targets HCV NS3/4a protease

Solubility Soluble in DMSO

Storage and Shipping Information

Storage Store at -20°C

Shipping Conditions Evaluation sample solution: ship with blue ice. All other available size: ship with RT, or blue ice upon request
