

## **TAK-700 (Orteronel)**

Cat. No. CEI-1545

Lot. No. (See product label)

## **Product Information**

**CAS No.** 426219-18-3

Molecular Formula C18H17N3O2

Chemical Name 6-(7-hydroxy-5,6-dihydropyrrolo[1,2-c]imidazol-7-yl)-N-methylnaphthalene-2-

carboxamide

Molecular Weight 307.35

**Purity** 98.00%

Targets Human 17

**Soluble** in DMSO > 10 mM

## Storage and Shipping Information

**Storage** Store at -20°C

**Shipping Conditions** Evaluation sample solution: ship with blue ice. All other available size: ship with RT,

or blue ice upon request
