

## 1-Methyl-3-indolyl- $\beta$ -D-galactopyranoside

Cat. No. CSUB-0264

Lot. No. (See product label)

### Introduction

**Applications** Chromogenic substrate for  $\beta$ -galactosidase producing a green insoluble product.

**Synonyms** Green- $\beta$ -D-gal; N-Methylindolyl- $\beta$ -D-galactopyranoside

### Product Information

**CAS No.** 207598-26-3

**Molecular Formula** C<sub>15</sub>H<sub>19</sub>NO<sub>6</sub>

**Molecular Weight** 309.31

**Substrates** Galactosidase, beta

### Storage and Shipping Information

**Storage** 2-8°C
