

## 5-Bromo-4-chloro-3-indolyl $\beta$ -D-glucuronide sodium salt

Cat. No. CSUB-0296

Lot. No. (See product label)

### Introduction

**Applications** Chromogenic substrate for  $\beta$ -glucuronidase (GUS) gene detection.

**Synonyms** BC-Indicator; X-GlcA; X-glucuronide

### Product Information

**Form** tablet

**CAS No.** 129541-41-9

**Molecular Formula** C<sub>14</sub>H<sub>12</sub>BrClNaO<sub>7</sub>

**Molecular Weight** 444.59

**Solubility** deionized water: soluble one tablet, 5 mg/mL

**Substrates** Glucuronidase, beta- bacterial

### Storage and Shipping Information

**Storage** -20°C
