Creative Enzymes®

Urokinase Substrate III, Fluorogenic

Cat. No. CSUB-0514

Lot. No. (See product label)

Introduction

Synonyms	Z-GGR-AMC, HCl

Product Information

Form	White to off-white lyophilized solid
CAS No.	102601-58-1
Purity	>95% by HPLC
Toxicity	Standard Handling
Substrates	Protease
Excitation max.	365 - 380 nm
Emission max.	430 - 460 nm
Primary target	Quantitative direct fluorescent assay of urokinase

Storage and Shipping Information

Storage	-20C
Shipping Conditions	ambient
