Creative Enzymes®

Kallikrein Substrate, Fluorogenic

Cat. No. CSUB-0516

Lot. No. (See product label)

Product Information

Form	Lyophilized
Purity	>95% by HPLC
Toxicity	Standard Handling
Substrates	Protease
Excitation max.	400 nm
Emission max.	505 nm
Primary target	Fluorogenic substrate for kallikreins

Storage and Shipping Information

Storage	-20C
Shipping Conditions	ambient
