

Elastase Substrate VIII, Colorimetric

Cat. No. CSUB-0524

Lot. No. (See product label)

Product Information

Form	White to off-white solid
CAS No.	52299-14-6
Purity	>98% by HPLC
Toxicity	Standard Handling
Substrates	Protease
Primary target	Substrate for the spectrophotometric assay of elastase

Storage and Shipping Information

Storage	-20C
Shipping Conditions	ambient
