

## **Na-Benzyloxycarbonyl-L-lysine Thiobenzyl Ester, Hydrochloride**

Cat. No. CSUB-0527

Lot. No. (See product label)

### **Introduction**

**Synonyms** BLT, HCl

### **Product Information**

**Form** White to off-white solid

**CAS No.** 69861-89-8

**Purity** >95% by HPLC

**Toxicity** Standard Handling

**Substrates** Protease

**Primary target** Substrate for trypsin-like enzymes and granule-associated serine esterase

### **Storage and Shipping Information**

**Storage** +2C to +8C

**Shipping Conditions** ambient
