

## Urokinase Substrate I, Colorimetric

Cat. No. CSUB-0533

Lot. No. (See product label)

### Introduction

**Synonyms** z-VGR-pNA

### Product Information

**Form** White to off white lyophilized solid

**Formulation** Contains 45 mg D-mannitol and 5 mg substrate.

**CAS No.** 78333-16-1

**Purity** >95% by HPLC

**Toxicity** Standard Handling

**Substrates** Protease

**Primary target** Urokinase Substrate

### Storage and Shipping Information

**Storage** -20C

**Shipping Conditions** ambient
