

## **Urokinase Substrate I, Colorimetric**

Cat. No. CSUB-0533

Lot. No. (See product label)

## Introduction

**Synonyms** z-VGR-pNA

## **Product Information**

**Form** White to off white lyophilized solid

**Formulation** Contains 45 mg D-mannitol and 5 mg substrate.

*CAS No.* 78333-16-1

**Purity** >95% by HPLC

**Toxicity** Standard Handling

**Substrates** Protease

**Primary target** Urokinase Substrate

## Storage and Shipping Information

Storage -20C
