

1,3,5-Triphenyltetrazolium formazan

Cat. No. CSUB-0208

Lot. No. (See product label)

Introduction

Synonyms	TTC formazan
-----------------	--------------

Product Information

EC Number	208-509-1
------------------	-----------

CAS No.	531-52-2
----------------	----------

Molecular Formula	C ₁₉ H ₁₆ N ₄
--------------------------	--

Molecular Weight	300.36
-------------------------	--------

Solubility	dioxane: soluble 50 mg/mL, clear
-------------------	----------------------------------

Substrates	Dehydrogenase
-------------------	---------------
