2-thioacetyl MAGE

Cat. No. CSUB-0651

Lot. No. (See product label)

Introduction

Description	2-Thioacetyl MAGE is a colorimetric substrate for KIAA1363, making it useful in activity/inhibition studies.
Applications	A colorimetric substrate for KIAA1363

Product Information

Form	Liquid
CAS No.	112014-15-0
Molecular Formula	C21H42O3S
Molecular Weight	374.62
Substrates	Urease

Storage and Shipping Information

Storage	Store at -80° C
