

7-(Isobutoxycarbonyloxy)-3H-phenoxazin-3-one

Cat. No. CSUB-0721

Lot. No. (See product label)

Introduction

Description 7-(Isobutoxycarbonyloxy)-3H-phenoxazin-3-one is a fluorogenic indicator for cell viability, cell permeant, and esterase activity.

Applications A fluorogenic indicator

Product Information

CAS No. 251292-24-7

Molecular Formula C₁₇H₁₅NO₅

Molecular Weight 313.3

Storage and Shipping Information

Storage Store at room temperature
