

## ATF-2 (Thr 71)

*Cat. No.* CSUB-0753

*Lot. No.* (See product label)

### ***Introduction***

#### ***Description***

ATF-2 (Thr 71) is a substrate suitable for kinase assays, such as ERK 2, JNK1, and Cdc2.

#### ***Applications***

A substrate suitable for kinase assays

### ***Product Information***

#### ***Substrates***

Alkaline phosphatase
