casein kinase II substrate

Cat. No. CSUB-0769

Lot. No. (See product label)

Introduction

Description	Casein kinase II substrate is the specific substrate for casein kinase II, not PKA, PKG, MLCK, RPTK or casein kinase I. Sequence based on casein kinase II phosphorylation sites in casein.
Applications	A synthetic substrate for casein kinase II

Product Information

Substrates	Kinase; Rsk-1; CaMKII; PKCα
