

## caspase-9 (Ser 196)

Cat. No. CSUB-0770

Lot. No. (See product label)

### Introduction

#### Description

Caspase-9 (Ser 196) is the substrate for kinase assays, also a substrate for Rsk-1, CaMKII, and PKC $\alpha$ .

#### Applications

A substrate suitable for kinase assays

### Product Information

#### Substrates

Kinase; ERK 2
