

α-Ketobutyric Acid-13C4,d2 Sodium Salt

Cat. No. CSUB-0952

Lot. No. (See product label)

Introduction

Description A labeled substrate for the determination of lactate dehydrogenase isoenzymes.

Product Information

Molecular Formula (13C)4H3D2NaO3

Molecular Weight 130.05

Substrates Lactate dehydrogenase

Storage and Shipping Information

Storage Store at -20° C
