Black Fungus Powder

Cat. No. EXTC-068

Lot. No. (See product label)

Introduction

Description

Auricularia auricula is commonly known as Judas's ear fungus or Jew's Ear. Auricularia auricula powder (Black Fungus Powder) has been used for centuries in China, particularly to cure hemorrhoids and strengthen the body. Sometimes it is also used to treat hemoptysis, angina, diarrhea, and ward against gastrointestinal upset.
