

## Black Fungus Powder

*Cat. No. EXTC-068*

*Lot. No. (See product label)*

### ***Introduction***

**Description** Auricularia auricula is commonly known as Judas's ear fungus or Jew's Ear. Auricularia auricula powder (Black Fungus Powder ) has been used for centuries in China, particularly to cure hemorrhoids and strengthen the body. Sometimes it is also used to treat hemoptysis, angina, diarrhea, and ward against gastrointestinal upset.
