Ginseng extract

Cat. No. EXTC-184

Lot. No. (See product label)

Introduction

Description	Ginseng is perhaps the most widely recognized plant used in traditional medicine and now plays a major role in the herbal health care market. For more than 2, 000 years, various forms have been used medicinally. The name Panax derives from the Greek word for"all healing, " and its properties have been so touted. Ginseng roots man-shaped figure (shen-seng means "man-root") led proponents of the doctrine of signatures, an ancient European herbalists philosophy, to believe that the root could strengthen any part of the body. Through the ages, the root has been used in the treatment of asthenia, atherosclerosis, blood and bleeding disorders, and colitis, as well as to relieve the effects of aging, cancer, and senility.
Applications	Functional food, health care products and pharmaceuticals.

Product Information

Appearance	Off white powder
Purity	8%-80.0% Ginsenoside
Function	1.Enhancing immunity and the ability of antivirus and infection. 2.Protecting hematopoietic function of marrow, improving the ability of hepatic detoxifcatio and promoting restoration of hepatic tissue. 3.Anti-aging, antifatigue,adjusting cerebral nervous system,enhancing hematopoietic functio and promoting metabolism. 4.Preventing cancer, activating normal cell and sedation.
