

Egg PE

Cat. No. NSMZ-021

Lot. No. (See product label)

Product Information

CAS No. 97281-40-8

Chemical Name L- α -phosphatidylethanolamine (Egg, Chicken)

Molecular Weight 746.608 (average based on fatty acid distribution in product)

Purity >99%

Storage and Shipping Information

Storage -20°C

Stability 3 Months
